2. Add the sashing and borders:

B. Take two border pieces and sew them together to make one long border strip. Attach to the left side of the quilt top. Repeat on the right side.

Finish it!

Take your backing fabric and cut it in half along the WOF so that you have two large rectangles measuring approximately 42"/44" x 99". Trim off the selvage and sew the two rectangles along the 99" length to make one big backing piece.

Baste and then quilt as you please.

From your red binding, cut nine 2 1/2" strips x WOF. An easy-to-follow binding tutorial can be found on my blog, www.QuiltingintheRain.com, under "Tutorials."
